9

SCAP1  X2

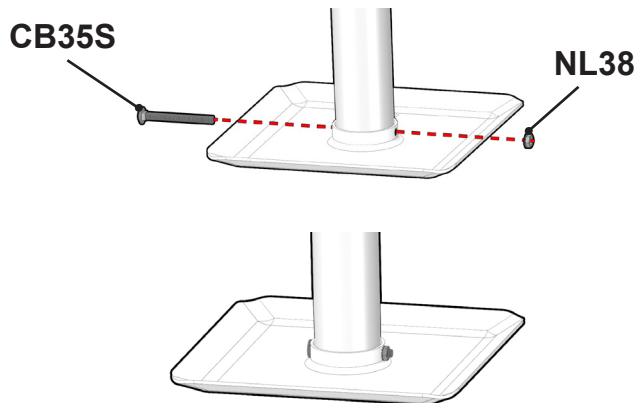

10

GL10  X2

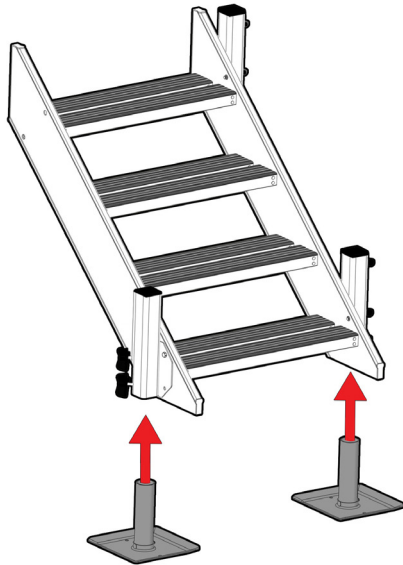

CB35S  X2

NL38  X2

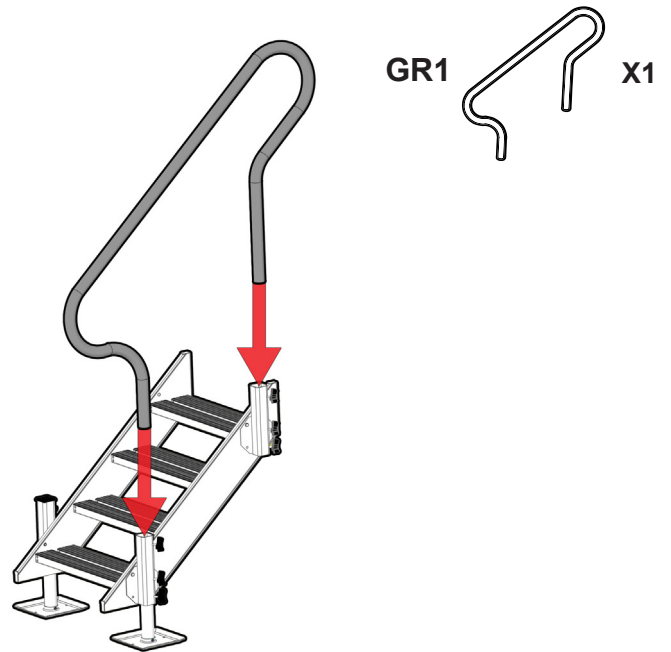

Repeat for both legs.

11

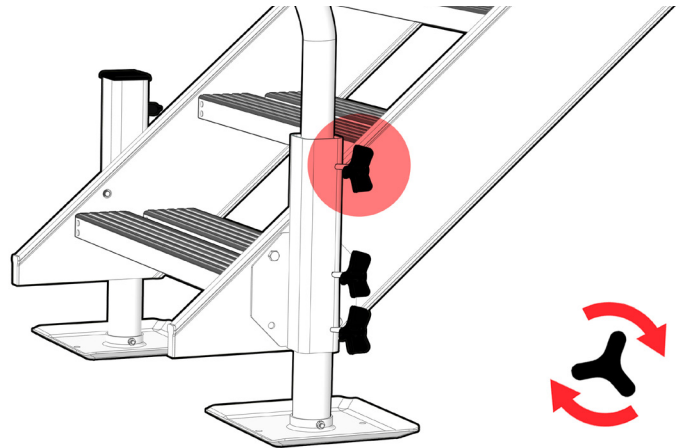

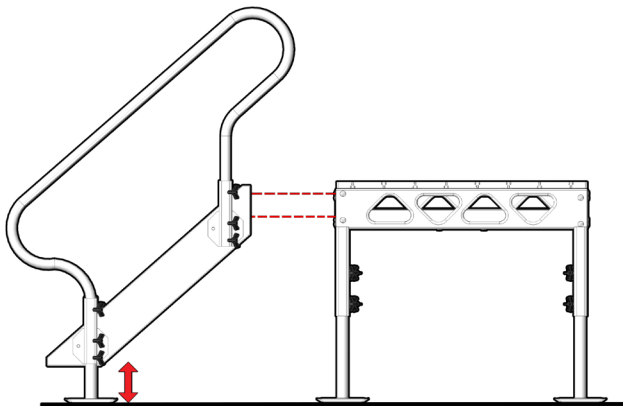

12

PLEASE NOTE: You may skip this step if you did not purchase the optional guard rail.

13

**DO NOT
OVERTIGHTEN**

Adjust the legs so the base of the stairs sits approximately at the height as the dock. Keeping the stairs level to the dock will make it easier for installation. After the legs are set snug the adjustment knobs.
